

Engarde Smart for Fencers & Supporters

Engarde Smart allows the tracking of a fencer during a competition via a smartphone or tablet. It provides real-time results & next match information including opponent, time and piste.

You can also track your 'favourite' fencers grouped by fencers, clubs or countries.

The system operates out of a web browser and requires an internet connection.

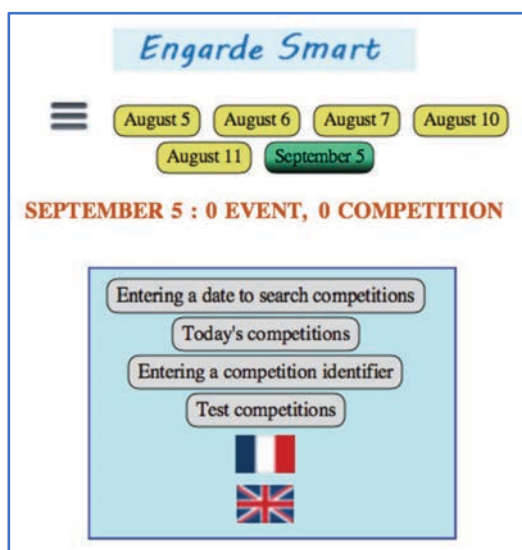

Engarde Smart is refreshed with information from the server every 3 minutes.

Connecting to Engarde Smart

1. Open smartphone or tablet internet browser
2. Enter URL <http://engarde-service.com>
3. Click on button **Engarde Smart**
4. The following page will be displayed

5. Tap the 3 horizontal lines on the left had side
6. The following page will be displayed

7. Tap **Entering a competition identifier**
8. The following page will be displayed.

Engarde Smart - Choice of a competition
